# Continuation of Coverage Options

## Self-Pay Option

If you lose coverage due to a reduction in hours, you are eligible for the Active Plan under the Self-Pay Option, if you:

- Are a member in good standing with your local union;
- Were eligible for benefits during the preceding quarter; and
- Have not already exhausted your maximum self-pay periods.

Under the Self-Pay Option, you can make quarterly payments for the hours needed to meet the:

- 250-hour quarterly requirement (apprentices: 200 hours), or
- 1,000-hour look-back (apprentices: 760 hours) from the current and three preceding quarters, whichever is less.

To determine your quarterly payment:

Hours needed to maintain coverage

Contribution rate\*

## Self-Pay Option Limitations

- Maximum of 250 hours per quarter; maximum of four quarters in a rolling 12-quarter (three-year) period
- Does **not** count toward future eligibility requirements
- Coverage under the Self-Pay Option reduces your maximum coverage under COBRA (see right)

\* Contribution rate is determined by the MARBA agreement in effect at the time of calculation.

## Paying for Coverage

Payments are due the **first day of the period** (month or quarter) for which coverage is offered.

There is a grace period for late payments: 30 days from the initial date of coverage or the end of the month in which the premium is due, whichever is later. **Payments after the grace period will not be accepted, and coverage will terminate.**

You can make payments online, using a credit card or bank account, through the member portal. To access your member portal, visit [carpenterbenefits.org](http://carpenterbenefits.org), and select **LOGIN** in the upper right corner. If this is your first time accessing your portal, click on Register (under the green **LOG IN** button). To register, you'll need to enter your name, Social Security number, birth date, and email address.

You can also pay by check, which should be made payable to the **Mid-America Carpenters Regional Council Health Fund** and mailed to:

Mid-America Carpenters Regional Council Health Fund  
Attn: Continuation Coverage  
12 East Erie Street, 7th Floor  
Chicago, IL 60611

Please include your BCBS ID number or Social Security number on each payment.

## Low Cost Medical Plan

The Low Cost Medical Plan offers affordable coverage for up to 18 months if you lose Active Plan eligibility as a result of a reduction in hours. When you enroll in coverage, you can also elect to cover your spouse and dependent children up to age 26. Spouses and children cannot independently elect coverage.

You will lose eligibility for COBRA (see below) once you make your first payment for the Low Cost Medical Plan. Any calendar-year deductibles and out-of-pocket maximums you met under the Active Plan do not carry over to the Low Cost Medical Plan.

## COBRA

You and your dependents can continue coverage for a maximum of 18 to 36 months under COBRA if you lose Active Plan coverage due to termination of employment, a reduction of hours, death, or another qualifying event.

You can choose full or limited benefit coverage:

- **Core Plus Coverage:** comprehensive medical, prescription drug, dental, and vision benefits
- **Core Limited Coverage:** comprehensive medical and prescription drug benefits

Visit [carpenterbenefits.org](http://carpenterbenefits.org) > **Health > Active Plan Health Benefits** to review medical, prescription drug, dental, and vision benefits.
