Life Insurance Beneficiary Designation Form

Instructions: Print clearly in ink. You must complete the form in full, sign and return it to the Fund Office. If the percent field is left blank, the designated beneficiaries will share equally. Percentages (100%, 75%, 25%, etc.) should be entered. If any designated beneficiary dies before the Participant, the share that such beneficiary would have received if he/she had survived the Participant's death will be payable equally to the remaining designated beneficiaries who survive the Participant. The following information is required for each beneficiary. There is additional space on the back of the form for adding contingent beneficiaries.

- Beneficiary's full name (e.g. Mary B. Jones, not Mrs. John J. Jones);
- Relationship to Participant (if not related to Participant, show as "friend"); and
- Address, Birth date, and Social Security Number. Note if a SS # or ITIN is not provided, it may be difficult to locate a beneficiary should their address change.

A Participant should review his/her beneficiary designation when the Participant's marital status changes, has a child, or the Participant experiences another major life event.
